## Dancing in the Snow Flurry

1870 ~ 1940

*Warm up your heart & soul with music & dance...*

In November and December each year our show **Dancing in the Snow Flurry** performs traditional Christmas songs and winter dances from around 1900 till the Swinging Forties.

Listen to the horses galloping through the snowy forest in **Schlittentahrtgalopp** and swing together with **Rudolph ~ the Red-Nosed Reindeer**.

Traditional polka, waltz and mazurka from 1900 alternate with Tango and Charleston from the 1920ies and with revived original choreographies from the first half of the 20th century.

Various different music and dance styles as well as original fancy dresses provide the feeling of a long time journey in just one programme.

**Warm up your heart and soul** and **shake your legs** during the cold season, too.

**Dance show**, Prom, Walking Act & Workshop from 15 - 180 min

Christmas songs and **Winter dances** around 1900 till the *Swinging 40ies...*
